
Reports For Believing

by Jerry V. McMichael

Dedicated to John Quinn, a friend and former Naval Air shipmate, and millions more like him, of the churched and unchurched variety and in the majority, captive to the world's philosophy who attempt to define their own status and standing in the sight of God independent of the Bible as the sole criterion for faith and practice, in effect like spoken of in Romans 10 attempting to bring Christ down or up by human efforts and wisdom. "We are the sheep of His people, and the people of His land" regardless of our statements of defiance and independence, an ultimate and inevitable accountability will be given to this LORD God and Creator of the universe, "Our Father which art in heaven." While not a popular phrase "in the world", God Himself through the pages of the Bible defines these millions as unbelievers. {Notice below that this is not friendly and good company for these millions of unbelievers, but hopefully it will give you a little heavenly perspective of how evil unbelief is in the sight of Our God!}

"But the cowardly, unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns

REPORTS FOR BELIEVING, like the other ebooks in the Bible Teaching series listed below, are based on exegesis of Bible Scriptures, sometimes topical and sometimes more textual. REPORTS is centered around Isaiah 53:1, “Who has believed our report”, as quoted by both Jesus and the Apostle Paul, with all of its implications for unbelievers today, and others with lack of faith and “the faith once for all delivered to the saints” (Jude 3); for where can you draw the line between unbelief and lack of faith and the faith, whether among church members or the unchurched!
